Govt Tightens Wheat Stock Limits Amid Price Concerns

The Indian government has **reduced wheat stock limits** to curb price surges and prevent hoarding.

Key changes:

- ◆ **Wholesalers:** Limit slashed by 75% (from 1000 MT to 250 MT)
- ◆ **Retailers & Big Chain Retailers:** 20% cut (now 4 MT per outlet)
- ◆ **Processors:** Stock limit remains unchanged

With **1132 LMT wheat produced in Rabi 2024**, supply is ample, but authorities are closely monitoring prices. Entities exceeding new limits must comply within **15 days**.
