

## LABORATORY SERVICES

## Pro Comm Laboratory Services

NBHC PROCOMM is an exclusive consultancy and technical service entailing quality assaying, grading, inspection and certification of a wide-range of commodities. A dedicated team of qualified professionals and technical staff provide services through national and internationally-accredited laboratories. Our lead laboratory has been accredited by NABL "India's top quality benchmarking body" and the UK-based GAFTA - an international benchmark for quality testing of agri-commodities.
